FAQ - ENGLISH

I have been accepted into a program but I did not receive any housing application, what should I do?
You can make your housing application via the Online portal of ALEGESSEC:
https://housing.alegessec.fr/authenticate
Only the students who have their ESSEC username (B00...) and password can access the Online reservation portal.

I would like to know how long the reservation process is.
Depending on the programs, the delay is different. As soon as you have received your ESSEC username (B00...) and password, you can log onto the reservation portal:
https://housing.alegessec.fr/authenticate
You will get a definitive answer towards the end of July.

What supporting documents do you need from me to apply for housing?
You need to provide your credit/debit card information and a copy of an identity document. For the scholarship holders, they will have to provide a proof of scholarship.

I don’t know the exact length of my studies. Which dates should I write on the housing application form for the length of the contract?
It is preferable to ask your program what the dates are for the beginning and end of your education. Keep however in mind that it is possible to adjust your departure date when you arrive. Furthermore, the length of your housing contract cannot be shorter than the length of your program.

When will my credit card be charged?
To make the reservation request, you give the imprint of your credit card, but the card will not be charged immediately. It will be charged when we have assigned you a room. You will receive an email informing you that your credit card will be charged within 5 days.

My payment has been refused, what can I do?
If your payment has been refused, you will receive an email informing you of this refusal. To finalize your reservation, you will have the ability to reconnect and proceed to the manual payment by credit card.

The security deposit, is it refundable?
Yes, the security deposit is refundable subject to the conditions indicated in Article 24 of the Rules and Regulations. The deposit will be transferred to your preferred bank account whether it is a French or international one after approximately 30 days after your departure. It can take up to 60 days maximum in some cases.

Can I change my mind and cancel my housing application?
Student who has applied for housing can cancel his/her reservation request. Please see Article 24 of the Rules and Regulations.

I am required to get a multi risk housing insurance when I arrive. What do I need to do? How much does it cost?
You can get a housing insurance with your personal insurance company, your bank, or Online with ISIC on http://essec.souscription.kinousassur.com or http://www.assur-multijeunes.fr/alegessec

When you’ve received a confirmation of the housing allocation, you will have access to the ALEGESSEC student portal where you need to submit your insurance certificate before your arrival - My reservation tab.

In average, our rooms are 19 m². The surface of the couple’s apartments is between 36 and 39 m².

What is the difference between the rooms on the floors and the rooms on the ground floor at the Parc residence?

Is there any reservation fee?
There is an annual membership fee of 299 euros for first-timers and 199 euros for renewals.

Is the annual fee mandatory even if I only have 3 months of study?
Yes, they are due annually and are not prorated to the duration of attendance.

When do I need to pay my rent?
Your rent will start as of the date indicated on your application form. You will be able to pay your rent on the “My student account” portal with your credit / debit card. You will also have the option to pay your rent repeatedly with your credit / debit card.

What is included in my rent?
We offer a formula that includes: water, electricity, heating, maintenance and assistance with your housing subsidy (APL) application process. The housing tax and the internet of a private provider are not included in the formula.

What is the APL? Am I entitled to it?
The APL stands for “Aide Personnalisée au Logement” and is a financial aid from the Caisse d’Allocations Familiales (CAF) meant to reduce your monthly rent, giving you housing subsidies. You can apply for the subsidies as soon as you receive your keys by following the instructions that we will send you by email after your arrival. The CAF will then study your application and decides whether or not you are eligible for the APL. In the case you are eligible, the CAF will deposit the subsidies on your ALEGESSEC account and the amount received will be automatically deducted from your rent. ALEGESSEC will not be responsible for any delays in the APL payments, and if so, you would be liable for the amount of your entire rent.

Where can I eat?
There is no cafeteria on the residences. However, as a student of ESSEC, you have access to the DeliMarché of ESSEC where you can find sandwiches, salads, hot meals, drinks… Some associations also offer a special lunch formula for students. You can also find a multitude of restaurant around the campus.

Is water safe to drink in residences?
Yes the water is drinkable.

Can I receive parcels?
No, you are not allowed to receive commercial parcels at the residence, however you can always choose a drop off point (point relais) where you can pick it up with your ID. This option is available when filling up your method of delivery Online. They usually propose nearby places for you to pick your parcel up. Mostly free of charge.

Can I leave my luggage and boxes when I leave my room?
You can leave 3 luggage and/or boxes in the luggage room of your residence only if you renew your contract at ALEGESSEC residences; Article 37: Luggage Storage of the Rules and Regulations.
